

MUSIC FOR A WORLD-CLASS EDUCATION

ACCESS ONLINE MUSIC EDUCATION RESOURCES NOW!

As part of our commitment to providing a world class music education for children in South Australia, we are partnering with Charanga to provide all government schools with primary enrolments with fully-funded access to an online music education platform and resource.

About Charanga

- Charanga is an online music education resource designed to help generalist classroom teachers confidently deliver music education in their classrooms using the latest educational technology.
- Teachers do not require any prior musical knowledge.
- The content is being contextualised for South Australian primary school educators and will provide additional resources, training and everyday support to enhance classroom practice, including a vast, customisable library of premium music resources, topics, songs, productions instrument courses and creative apps.

Who can apply?

- All South Australian government schools with primary enrolments in South Australia, and especially teachers interested in developing their music education skills.

What's provided?

- A fully-funded 2-year subscription to the Charanga music education online platform.
- Immediate access on sign-up.
- Professional Development Workshops taking place across terms 2-4.

For schools not currently utilising Charanga:

- Access to a 1-hour online introduction session.
- Access to a 2-year school subscription provided by Charanga
- Funding for 1-day TRT (with the school to contribute 1 TRT day) for a teacher to attend a 2-day Professional Development (PD) program.
- Funding to support the purchase of a classroom instrument package up to \$550.

For schools currently registered with Charanga

- Funding to support the purchase of classroom instruments to further develop existing programs up to \$550.
- 1-day TRT to participate as a 'champion of change' in the scheduled professional development program.

How will the funding be provided?

- TRT and instrument funding will be allocated to the site RES.
- Schools will need to provide a financial acquittal for instrument purchases.
